Re: Furer Divorce

Dear Randy:

Attached are the signed Furer Joint Petition and MSA, including the re-signed pages 12 and 13. I have additionally attached a copy of the motion to dismiss the TPO, signed by Mrs. Furer. We of course will not file the same until Mr. Furer has executed the Joint Petition and the MSA, and the divorce complaint has been dismissed. My understanding of upcoming events is as follows:

- Mr. Furer will sign the Joint Petition & MSA and copies will be faxed to me and Fed Ex'd to you.
- You will then forward to me a Stip & Order dismissing the divorce complaint. I expect to receive this late Thursday or early Friday.
- I think it would be best for the Stip & Order dismissing the complaint and the Motion to Dismiss the TPO being walked over for filing together — if our runners are not available, I will be happy to do the filing myself.
- You will be preparing the necessary documents to seal the case.

If you find that any of the above does not comport with your understanding of upcoming events, please contact me immediately so that we may resolve any misunderstandings. Regarding the trust documents, Mrs. Furer has retained new counsel, (David Reese), to assist her with the same — they will be meeting in the morning.

Finally, it is my understanding that the parties desire this matter to be sealed. If you would prepare whatever pleadings may be necessary to accomplish that, I would be most appreciative. Your anticipated courtesy and cooperation are much appreciated — please feel free to call with any additional questions or concerns.

Sincerely,

BONNIE G. MAHAN, ESQ., of
